It's getting Better.
Better by far.
It's getting Better.
By the day.

It's getting older.
Older by far.
I'm getting older.
By the day.

Better people live in twos and threes.
Living life in mystery.
Let me pack my bags and fine the sea-Side.
Are You Blind!
No I'm fine.

It's getting Better.
Better by far.
It's getting Better.
By the day.

Better people live in twos and threes.
Living life so casually.
Let me fine a place where I can breath - say.
Are You Blind!
I'm doing fine.

It's getting Better.
Better by far.
It's getting Better.
It's getting Better.
It's getting Better.
It's getting Better.
